Greater Caddo Lake Association of Texas

Donna McCann, Editor

## Thanks, Mudboaters!

The GCLA board Would like to once again thank the participants and organizers of the annual Caddo Lake Fun Run for their generous donation to our efforts to keep invasive species on Caddo Lake under control. This year, the event on the second weekend of June had over 100 mudboat participants from all around the country and raised \$6675! GCLA funds the operation of the Morley Hudson Weevil Greenhouse through the Caddo Biocontrol Alliance. The website for mudboat enthusiasts is:

## Learning Through Doing

By Donna McCann

This summer, Wiley College students Kenisha Arthur and Cheerita Nicholas (pictured) and Alisha Jamison assisted Ted Barrow with the operation of the Morley Hudson Greenhouse as they learned about raising Giant Salvinia weevils. At the August GCLA Board meeting, with their summer internship coming to an end, the students presented a summary of their experiences to the GCLA board and their faculty sponsor, Professor Stephanie Gorski. While doing the more mundane work of tending the weevils in the greenhouse, they collected data and analyzed the relationship between size and location of weevil incubation tanks and weevil production. We thank them for their help, their analysis, and their enthusiasm!

## 39<sup>th</sup> Annual GCLA BBQ

Mark your calendars for Saturday, September 2nd!! Crip's Camp is the place to be for brisket and sausage and all the trimmings, as well as homemade desserts. Plates are \$10 each; serving starts at 11 AM and goes until the food runs out. GCLA memberships, tee shirts and raffle tickets will be available. Raffle prizes include

a new fishing kayak (like the photo below, but camo) with a gift card to add a paddle and life vest of your choice, and a CD autographed by fellow Caddo lover and Rock and Roll Hall of Famer Don Henley. Bring the family and enjoy great company and great food!
